Edmond Lacrosse Festival

On April 24th ELC will be hosting a full day of lacrosse, with many teams in all different age groups coming to town.

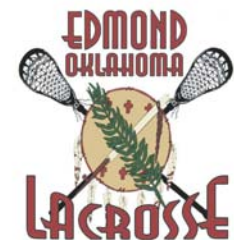

We could use some extra hands that day to ensure that things run smoothly.

If you are able to help out, please contact Marc Anderson, marc@edmondlacrosse.com.

In addition, we are happy, again this year to partner with Goldie's Patio Grill in providing burger meals on that day.

More details will follow in the coming weeks regarding the cost and process for pre-ordering combo meals for your family.

Again, if you are able to volunteer your time on April 24th, please contact Marc Anderson.

Parking & Safety

Thanks to all of the parents and fans who are parking in the parking lots adjacent to Cheyenne Middle School rather than the grass.

Due to crossing in heavy traffic on Kelly, we encourage

you not to park in the business parking lots east of Kelly.

Also, please drive VERY slowly on the access road next to the school and in the parking lots. There were a

couple of near misses on Saturday.

Please keep an eye out for pedestrians—lots of small children and lacrosse players who may or may not look both ways.

Many Thanks

Thank you, Scott Lubert, owner of Homestead Construction, for donating the new drop down scoring systems. Fans appreciate being able to see the score during the games.

We have Lowe's to thank for our nice, green fields this season. Also thanks to all the volunteers who filled in dirt and planted seed last fall.

Next time you head to Lowe's, find Joe Medley, the store manager, and thank him for the donation.
