*About **ESB LACROSSE***

ESB Lacrosse was founded in 2005 by area high school coaches who were passionate about lacrosse and giving back to the sport that had given them so much. Currently led by Eric Olson with the vision and guiding principle of fostering the growth of lacrosse in Kansas City and throughout the Midwest.

ESB Lacrosse has always and will continue to distinguish itself in the Kansas City metro as the "Go-To" provider for youth and high school lacrosse leagues and off-season instruction.

NEW! Middle School Clinic Added for '11

ESB Lacrosse in conjunction with Dan Loftus and Nick O'Hara has developed the ultimate learning experience for lacrosse players that want to take their game to an elite level. The Blue Devil Elite Lacrosse Clinic is designed to provide advanced position concepts and position fundamentals needed to be successful on the field. Together they will strive to coach players to reach their maximum potential, while helping them to develop a solid character foundation.

The Blue Devil Elite Lacrosse Experience

INSTRUCTION

Players will be taught specific position skills rather than just be put through drills, players will learn through a unique progression of stations. All of the skills and concepts are taught to allow the players to develop their position abilities necessary to play at an elite level!

THE STAFF

The clinic will feature coaches and current players that have competed at the highest levels and experience from the top major college programs through Major League Lacrosse and the National Lacrosse League.

Kansas City's one & only position camp focused on making you an elite player
